FOREWORD

We take pleasure in presenting to admirers of Shorthorns the breeding of the cattle we have drawn from the Richland herd for this sale. When this herd was established we had in mind the production of a class of Shorthorns that would appeal to all as good types of the breed. We bought as good breeding material as we could secure with this end in view. All agree that we were particularly fortunate in our selection of herd bulls and in Imp. Lorne, Imp. Newton Champion and Sterling Supreme, we have not only secured bulls of good show types but, better still, sires of stock of pronounced and recognized merit. The get of all three of these bulls sell in this sale and our visitors sale day will, we are sure, find much to admire in all of them.

The young bulls by these sires, as well as others are of special promise, affording capital selections in herd headers of rare worth.

C. H. PRESCOTT & SONS.

SHORTHORNS OF REAL MERIT

Wherever Shorthorns are discussed, mention is made of the splendid cattle that have been coming from the Prescott herd. The remarkable offering made at Chicago in October 1920, is still fresh in the minds of all who were privileged to view them and to buy.

In selecting the heifers for this sale, the Prescotts have been generous with those who come to buy on June 21st, and having been present when the selections were made, I can truthfully say that for every choice heifer that was held back for the herd, one equally as desirable was drawn for this sale.

WILL JOHNSON,
of the Shorthorn World.

A Word As To This Lot of Shorthorns And The Work of the Prescotts

A valuable lot of well bred, worth while breeding material sells in this sale. Among the public sale offerings of the season it ranks among the best. The productions of the Richland herd have been among the very tops of each season. That they are progressing is evident from the fact that they have more outstanding show productions in the Richland herd now than ever before. They sell in this sale a number of cattle that are superior to any yet offered by them. These are the get of the imported bulls Lorne, Newton Champion and Sterling Supreme, a trio of as good breeding bulls as have come under the writer's observation. A lot of valuable breeding material from one of America's greatest Shorthorn herds changes ownership at this time. They are offered by men who stand for the best interests, the cleanest practices and all that is good for the breed.

GEORGE E. MARTIN
of the Breeders' Gazette, Chicago.

TERMS AND CONDITIONS

Location—The Village of Prescott is on a branch of the main line of the Detroit & Mackinac Railroad. Richland Farm is located on the M-70 gravel pike three miles east of Prescott.

Warranty—It is not customary to guarantee young animals under breeding age, but as we are breeders and not speculators we feel sure that we are selling a lot of cattle that will make good. All animals sold as single lots will be guaranteed if given proper care except cows with calves at foot or showing marked evidence of being well settled with calf. This is sufficient proof as to their producing ability. In case an animal does not prove a breeder in the buyer's herd, it must be returned to us in good condition at the end of six months at the purchaser's expense. After a reasonable trial in our herd, if not proven breeders, we will replace with another animal of equal merit. Calves that are sold at the side of their dams as single lots are not guaranteed breeders. Heifers must not be served for first calf by heavy or old bulls. Young bulls must be given the proper care and should not be allowed to serve before fourteen months old or allowed to run with herd before twenty months old.

Terms—Cash. This gives every buyer the same chance.

Pedigrees—A certificate of registry will be given with proper transfer on each lot, as well as applications for all calves at foot.

Tuberculin Test—Each animal has been carefully tested by the Federal and State Department. All are clean and can be shipped anywhere at close of sale.

Transportation—All cattle will be loaded on cars with hay and straw free of charge but will be at buyer's risk when bid off. Sale will begin at one o'clock Wednesday, June 21st.

Auctioneers—Carey M. Jones and Scottie Milne.

Mail bids to either of the Auctioneers or to George E. Martin of the Breeders' Gazette or Will Johnson of the Shorthorn World.

Please bring this catalog with you.

Special train leaves Bay City via Detroit & Mackinac R. R. at 9 a. m. for the Farm. Buy round trip tickets.
